MEMO

To: All Employees and Medical Staff
From: Jason Studley, Chief Executive Officer
Subject: Resignation
Date: July 15, 2022

I am writing this memo to announce my resignation as Chief Executive Officer of Greenwood Leflore Hospital, effective immediately. I would first like to extend my utmost respect and appreciation to everyone over these past two years. We have faced many unprecedented challenges, yet despite all odds, you all have shown your dedication to providing the highest quality care for our community. You should be very proud of yourselves. I know I am very proud to have been a part of your accomplishments.

I want to assure you that the joint operations plans with UMMC have been well planned, and will continue as mapped out, even in my absence. I began this roadway with the full knowledge that my services would no longer be needed. I can step away now knowing that the security of long-term healthcare for our community will be accomplished. At this time, I need to dedicate my focus to exploring other opportunities that may secure my own family's future.

Thank you all so much for your warmth, your prayers, and your dedication to Greenwood Leflore Hospital and the community we serve. I will keep you all in my prayers.
